City of Charlottesville  
P.O. Box 911  
Charlottesville, VA 22902

Dear Mayor Walker,

I am writing to inform you and your fellow council members that after careful consideration and in consultation with my family, I am withdrawing my application to become the Interim City Manager of the City of Charlottesville. This was not an easy decision for me and I want to thank the Charlottesville City Council for the opportunity and wish the residents of Charlottesville all the best.

Sincerely,

Marc Woolley
